Music

Mr. Mara

The band has come a long way under the present direction of Mr. Dillon and previously under the direction of Mr. Mara who retired at Christmas 1976. The group is preparing for a performance at our annual graduation in June.

Family Studies

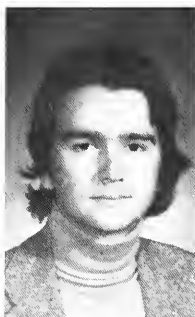

Family Studies courses are concerned with the interrelationships of individual to his family and society with the focal point being the family unit. The student will learn about individuals within the family and the relationships of each other. The year 4 course also includes with the unit in interior design.

Mrs. Holmes

Art

Mr. Gable.

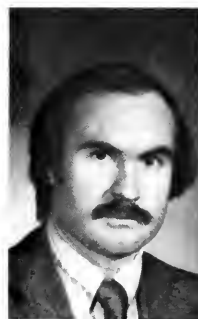

Mrs. Chambers.

The artist and his admirers.

The Art Course at TISS is designed to give the individual a basic knowledge of the fundamentals involved in creating art objects. The goal of the course is to develop a sense of confidence in self-expression considering the individual and his unique abilities. During the course of the year the Art Department has set up several interesting displays in the Art Gallery in the library.

Mr. N. Kearney

Mr. F. Rogers

Business

Mr. W. Rogers

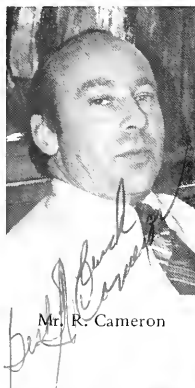

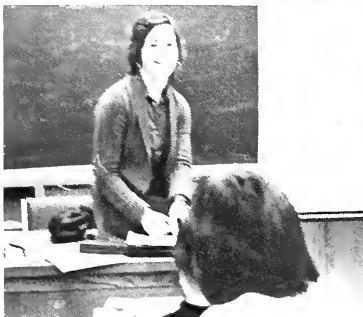

Miss E. Sheppard

Business Education provides the opportunity for students to develop the knowledge skills, and attitudes every person needs to manage competently his personal business affairs; to assist him in obtaining employment and function as a knowledgeable employee.

French

Mrs. J. Boone

Mr. J. P. Tessier

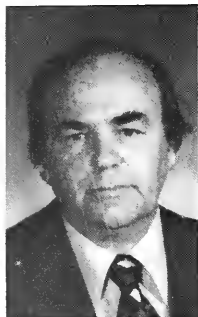

Miss Yarrow

The purpose of the programme is to provide a satisfying experience in the study of French as a useful, living language which is vital to Canadians. Upon completion the student has a good knowledge of grammar and pronunciation, the ability to communicate in French when placed in everyday situations, and the ability to read with the aid of a dictionary, texts or subjects within their interests.

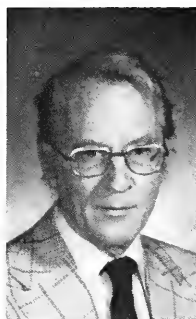

English

Mr. J. Carswell

Mr. L. Kowlessar

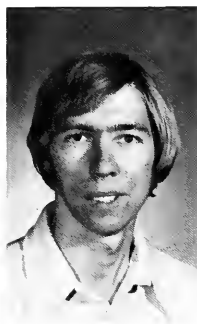

Mr. A. Connerty

English courses are designed for the continuing development of language skills as the most important of communication tools. Students read widely, discuss ideas, and develop acceptable written expression. Theatre Arts courses explore the particular areas of expression and communications in the dramatic form. The play "Every Man" was presented at the Simpson Sears Drama Festival on March 5, '77 Donna Lypchuk won an award for her acting abilities and the play placed second.

Mr. B. Boesveld

Mr. P. Sheppard

Mrs. A. Edwards

Mrs. D. Earle

To Mebodie
 From the
 Old lady
 who is now
 a new lady,
 To a young

 D. Earle

Miss A. Kemp

Mrs. J. McKibben

Miss B. Park

Mr. W. Thomas

Library

Mr. D. Campbell

The Library is an area of the school that is used by all students, teachers, and others who need a place to study, a good book to read, or material for research work.

Throughout the year the library's selection of paperbacks and resource material has grown considerably. The staff uses it for regular staff meetings and the Family Studies department used it for their annual Simplicity Fashion Show.

Mrs. A. White

Mrs. C. Leroux

Mr. T. VanHartskamp

Phys. Ed.

Mr. B. Armit

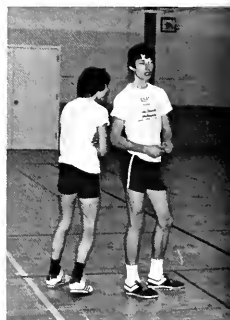

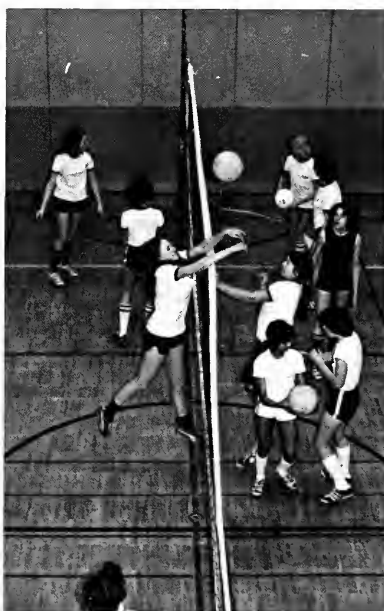

Mr. B. Clark

The Physical and Health programmes are designed to develop the individual's total personality. The major objective of the programme is to have students see physical activity as a way of life. Health courses are designed to help students find good sound values in an ever changing society.

In general, all of TISS' school teams did very well this year with many championships to our credit.

Mr. R. Hungerford

*Good Luck Mel
Partington*

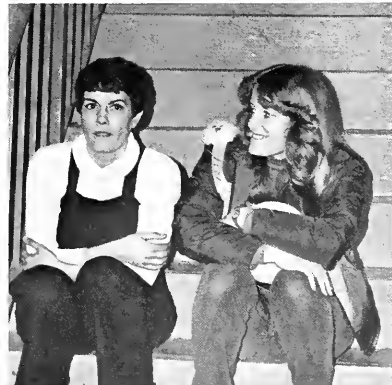

Miss J. Carleton

Mr. P. O'Grady

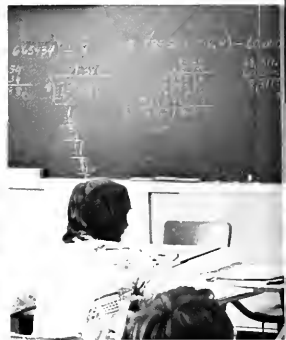

Mrs. C. Sommerville

Mr. C. Forrest

Occupations

Mr. T. Cholewa

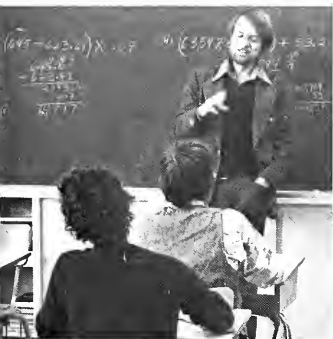

Mrs. M. Goodell

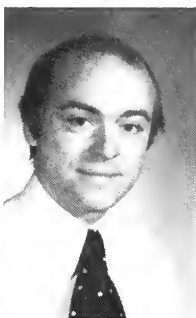

Mr. T. Darby

The Occupations Department consists of the Phase Two and Phase Three Courses. These provide the student an opportunity to develop basic skills in academic subjects and practical experience, in four years of High School credits. These courses are open to all students.

Mr. J. Carson

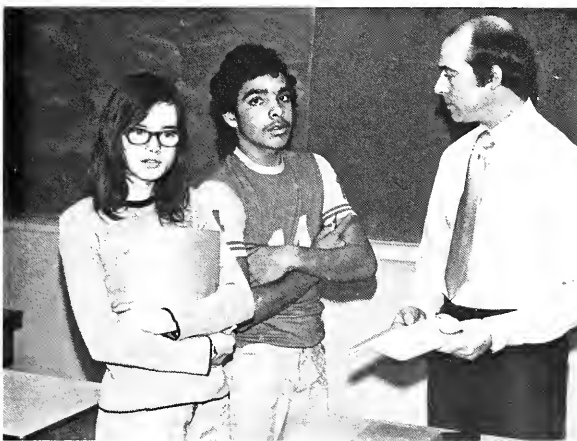

Mr. G. Jenner

Mr. M. Martinson

Mrs. R. Nussey

Science

Mr. L. Faris

Mr. H. Baker

Miss C. Cavanaugh

Mr. G. Spafford

The Science Program is designed to assist students in developing their ability to comprehend and cope with the environment. Student centered activities are provided as starting points for investigations and discoveries. Through this process the student is required to observe carefully, think critically and draw conclusions.

Good work.

R. Olson

Mr. R. McGrath

Mr. R. Olson

Mr. I. Nussey

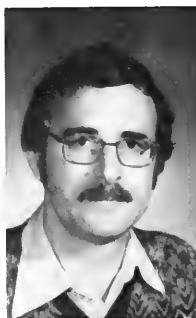

Mr. K. Wheeler

S. E. S.

Social and Environmental Studies include those subjects that are most concerned with man's unique nature, and his interaction with his environment and his fellow man.

Along with the study of history and geography, the SES Department has included a new course next year. It involves the study of the outdoor environment. Field trips and camp-outs are planned.

Math

Mr. H. Wells

Mr. J. Nightingale

Mr. H. Grant

The Math Dept provides opportunities which will enable the student to be prepared for the future both academically and socially. The students are challenged academically in a variety of mathematical problems. Many classroom learning activities provide some of the experiences that young people need to develop in this area.

Mr. R. Bishop

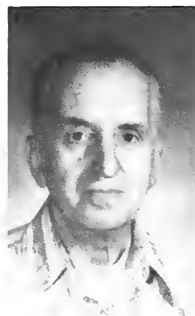

Mr. D. Dillon

Mr. S. MacKinnon

Mrs. Quick

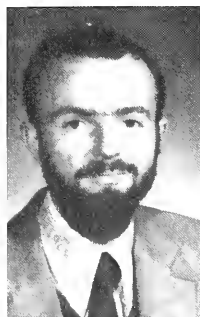

Mr. W. Match

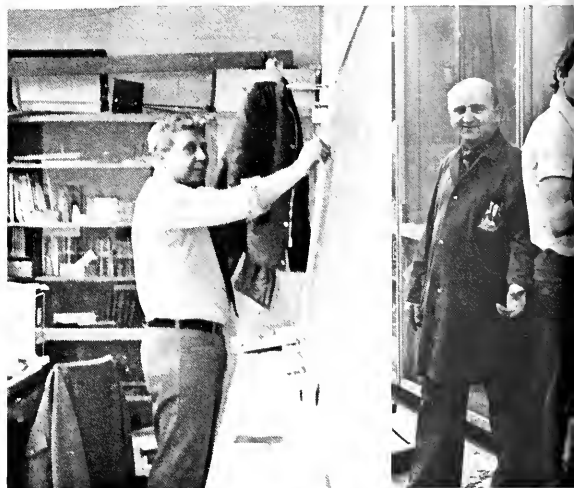

Technical

Mr. J. Cowan

Mr. P. Bullock

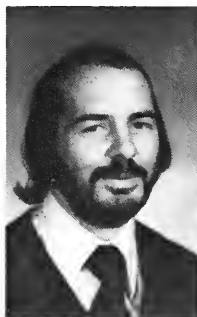

Mr. W. Brown

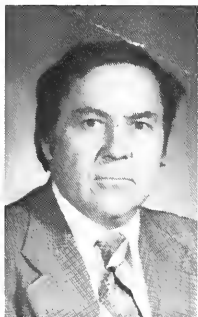

The various courses offered in the Technical Dept. can be of value to students regardless of their future educational or vocational plans. In general, year one and year two courses are basic and exploratory in nature. The senior courses are flexible and in most cases, can be adapted to suit the individual needs of the student. All technical courses provide the student with practical and creative learning experiences whereby individual goals may be developed and pursued.

KEVIN MARR's interests include hunting, skiing, camping, and drinking. His thought for the day is "If you can still stank, have another," as he contemplates his goal of skiing down the Matterhorn without spilling his drink.

Teaching phys ed out in the sticks and catching and hooking a certain guy are NANCY MARSHALL's future ambitions. Nancy is fed up with being called Shorty by people who look like trees. She enjoyed her gossip sessions during her spares.

PAM MATHIESON remembers final football games in the pourrain, euchre partners and "Maccers or Ho Jo's?" during her spares. She enjoys relaxing to music, camping at Brown's Bay and the summer of '76.

One of RUBY MCCABE's biggest challenges at TISS is staying awake during

boring English classes. Her interests include Jimmy and days off. One day she hopes to learn how to spell.

London, Paris, mothers crashing parties, and Mr. Shorey's Xmas spirit are PAM MEHAN's memories of TISS. Her goals include gaining the "Passport to Freedom" and marrying Peter Frampton.

GWEN MELCHERS hopes to go through M.R.C. in two years and be married shortly thereafter. She remembers Tuktu films at TISS and has an interest in Ward F at BPH.

Becoming a dentist or a pro ski bum is the important vocational question facing ROBERT MILLER. Rob also enjoys swimming and most outdoor sports.

PIERRE NADEAU says "I'm here for a good time, not a long time." His main interest is travelling but he is taking time to work at becoming the major stockholder of the Cap'n Tap.

A certain blonde, fast cars, and money are among LES PEDERSEN's interests as he moves towards his goal of becoming rich and famous. He remembers being pulled into the girls' change room.

CAROL PERGUNAS recalls walking out on the second page of a calculus exam. She plans to own New York City in an attack with leather whips and high-heeled boots.

Football and nothing else are MICHAEL PHELPS' memories of TISS. Among other things his interests are sports, money, sports cars and girls, not necessarily in that order. "All right we can beat this team," is what Micheal can be heard saying.

DAN REAVIE's memories of TISS are Wilf Larkhamp on the Senior Pirates and our choke games. Dan's goals are to become a millionaire or to go to Queen's University. Dan can be heard saying "What did ya say?"

Smiling faces and girls who wear braces are IAN ROBERTS' memories of TISS. Showbiz and sports that do not hurt are Ian's interests. His goal is to put Bob Hope out of business.

MARILYN ROE's memories of TISS are round little balls that bounce and go in little nets. Her interests are tennis balls, haircuts and kayaks.

The interests of ROB SCHIPPER are anything interesting to teachers. His goals are to shave his head and sell "essence" on 29th street.

EUGENE SERRE ST. JEAN's memories are spares, thoughts for the day and dances. His goals are leaving TISS and furthering his education.

Eating brownies while having relations is among THOMAS SHAW's memories of TISS. Tom's goals are to become a butterfly breeder or a soup taster.

DON STEVENSON's memory of TISS is cloud formations in unknown cars. His interest is growing plants and his goal is being head dishwasher at the Skyline.

The interests of GORD THOMAS are math and computer science. His memory of TISS is the computer. Gord hopes to become a computer programmer.

JOANNE TIGCHELAAR's memories of TISS are looking out the window and falling asleep. Her interests are keyboard music and travelling. Joanne hopes to become a concert pianist.

The goal of MARC TREMBLAY is becoming an engineering student at the University of Waterloo. His interests are making SSS tapes for the Science Dept. Marc has been known to say "I've got three meetings all at the same time so I won't go to any."

TERRY VAN ASSELDONK's memories of TISS are short walks across the road for refreshments and Friday afternoon parties. His interest is having a job at Labatt's as head taster.

Falling fluorescent fixtures on his desk highlight JOHN WALKER's memories of TISS. John plans to go to Waterloo. He may be heard saying, "I've got Algebra next--I think I'm going to barf."

ELIZABETH WESTON enjoys reading and skiing as well as visits from a mysterious man in a yellow VW. "This is the pits!" is her apt expression as she remembers having to eat lunch in the girls' change room.

Some eligible bachelor may be the lucky individual to meet JOYCE WILLIAMS in her career as a private secretary. Joyce's interests include music and crafts.

KATHY COWAN was TISS' head girl this year. She remembers her three home form years with Mr. LaFratta and arguments about lockers with Mr. Kent. One day Kathy hopes to travel and become a social worker or a teacher.

"I'm not drunk, Sue." is STEVE COX's quotable quote. Steve's main interests are tropical fish and happiness. He remembers his work with the stage and lighting crew.

LOUIS ETHIER likes to remember TISS: football championships. His interest include football, bowling, and architecture.

Becoming a professional bum is JEFF GROUENEWOOD's goal. He may be heard saying, "Dreamella, fella" as he goes through the halls thinking of his main interest--girls.

DEBBIE HALLADAY enjoys sipping in the sun and thinking about school spirit. She remembers well when five people in a Datsun bombed around the football field.

Individual athletic achievements such as fishing, snowshoeing, and tramping through the bush picking berries are DON MARSTON's main interests. Don's words of wisdom, "Time passes," are appropriate as he heads toward his goal of retirement.

LES MCMAHON may be interested in planned parenthood as he aspires to have twenty kids and remain single at the same time. His main interests are sports and music.

Two spares a semester highlight HENRIETTE MOOIBROEK's memories of TISS. Henriette is interested in becoming a driver who does not stall her car and reaching the day when she'll be served at the Cap and Tap.

CINDY NOLAN remembers Walter's Wilnots and a sneak trip to MacDonald's during gym class. She may be overheard to say, "Is it time yet?"

BRUCE ALBERRY enjoys flying, boating, and camping and hopes one day to see the whole wide world.

"Nifty, just a tibble!" is SHERYL ANANNY's quotable quote. She likes to ski, snowshoe, and spend time with her friends. Sheryl hopes she'll never have to stop learning.

RALPH ASTLEFORD remembers rush hours between classes at T.J.S.S. "Don't harass me," are his famous words as he continues on his goal to become a millionaire.

Becoming a bartender in a small town out west is RAY AVERY's goal in life. He remembers coming home Sunday mornings from parties at the shack.

GREG BOISVERT has no memories of TISS. He enjoys skiing and hopes to own a resort someday.

The congregation of jocks by the gym doors, locked washrooms, and making out in the hallowed halls highlight SHAWN BURN's memories of TISS. He expects to become the head brewmaster at Meister Pils.

"Hey baby! What's happening?" That's BRIAN CAROLAN's question as he recalls his celebration of special occasions at TISS. Nip is looking forward to university football games.

GREG CLARK hopes to own a share in Benton Farm Equipment. As he thinks about those rushed halls at noon Greg may be overheard saying, "You don't know straight up."

FATIMO DAVIDANI enjoys music and literature and hopes to be successful in life.

ED DEON recalls law class at TISS and hopes to become a police officer.

Automotive work is PAUL DUNSTER's goal. He remembers having fun at soccer games.

AUDREY GALAMA enjoyed running through puddles while on the cross country team. Audrey plans a career in ornithology or naturalism.

TISS isn't much different than NORINDER GILL's last school. Norinder plans to attend St. Lawrence College and take a course in key punching.

Chris Zahn

Georgina Timmerman

Abby Zuflet

TINA HALL enjoys music, basketball, and wines. She hopes to become a chemist and make drugs for the "Syndicate."

Waiting in the halls for R.W. to get out of class highlights STEVE JENKINSON's memories of TISS. Steve plans to gain a PHD in chemical engineering and meet R.W. some where other than the halls of TISS.

LARRY KENNEDY remembers being a janitor in order to get back into school. He hopes to get rich and then retire--after he's repaired his car.

Agriculture is MIKE KRUSHEN's main interest. Someday he may grow some plants in Mexico.

DUNCAN MACDONALD remembers the organization of the fund at TISS. He enjoys baseball and hockey. His goal is not to end up like Bernie Edwards.

Looking both ways before crossing the street and not getting her picture in the yearbook are SUSAN MACDONALD's goals. She's trying not to remember TISS.

JOHN MCLEAN remembers the first and the last days at TISS. He enjoys skiing and hopes to become a ski instructor. John would like to see a certain teacher get a watch.

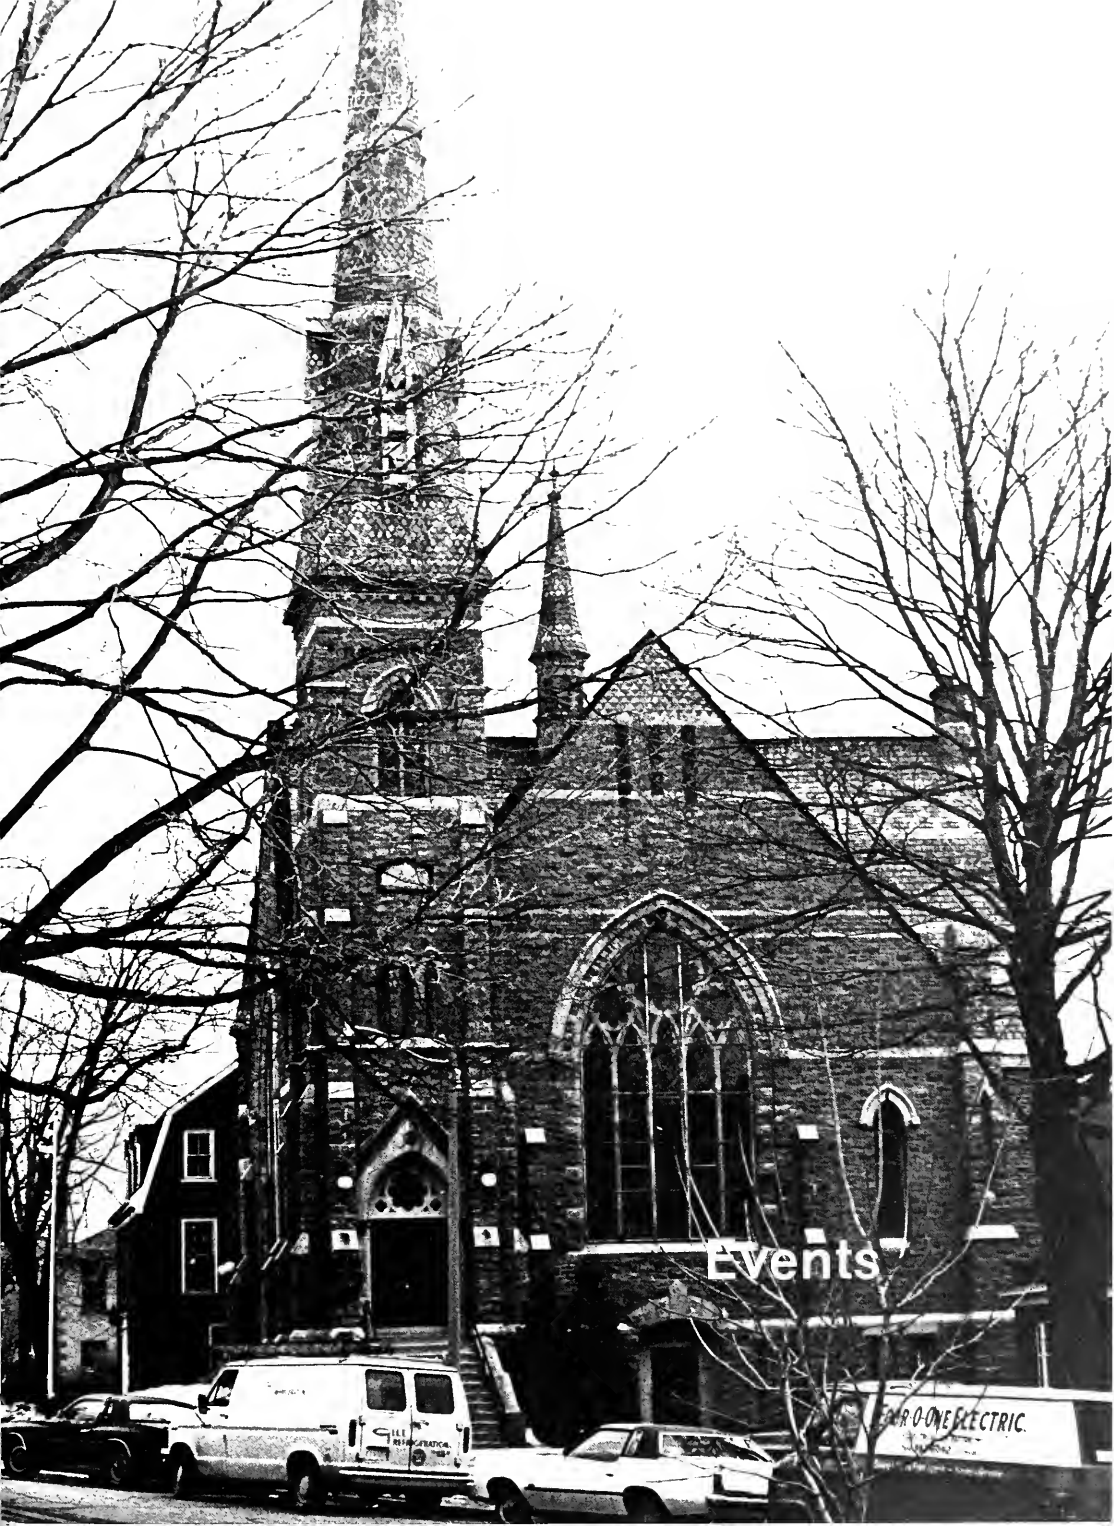

Learning how to play the guitar is DIRK MACLEOD's goal in life. He often asks "Can I have a ride home tonight?" after practising with his band after school.

PAUL MACLEOD enjoys girls, his friends, and hockey, and girls. One day he hopes to leave TISS and own his own business.

Auto mechanics and truck driving are DALE MALLORY's interests. Dale remembers "getting up early to fall asleep at school."

JOANNE ROOT is often heard saying, "Have you seen Steve?" Her main interest is Steve.

Home room with Mrs. McKibbin highlights RANDY TERPSTRA's memories of TISS. He is interested in anything but school.

Phase II Awards Assembly

Some one hundred and fifty students from the Phase II programme together with fifteen staff members from the department welcomed principal Jon Kent and the other platform guests to the second Phase II Annual Awards Assembly held at T.I.S.S. on June 10th 1977. For the first time a representative of local industry, Mr. J. Kennedy attended. He presented Canox Welding Awards to Fred Steenwyck and Wayne Buehlow. Marg Kelsey and Tony Fyckes won the Most Improved Student Awards.

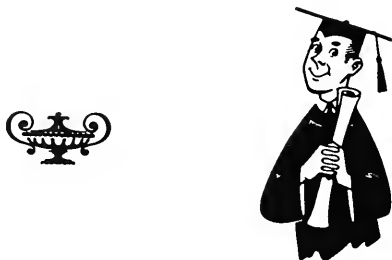

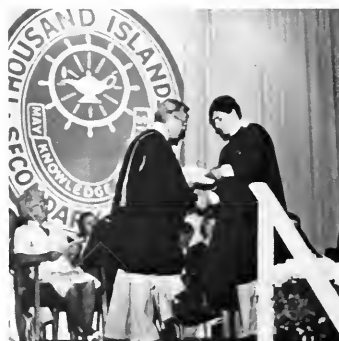

Master of Ceremonies, Superintendent Lyle MacLennan told jokes about bald-headed gentlemen, teachers trying ice fishing, and other teachers taking guided hunting trips up north. He also presented perfect attendance awards to Basil Adams, Ron Cole, and Cheryl Ross. Cheryl's perfect attendance record spanned three consecutive years: a great performance, Cheryl – well done.

Mr. O'Grady presented Physical Education certificates of merit.

This year ten students from Phase II fulfilled the Ministry requirements for the S.S.G.D. As Department Head Cec Forrest pointed out, this is a reflection of two trends. Firstly the expansion and Improvement of the Phase II programme itself, and secondly, the thoughtful work of the Student Services department in being responsive to the needs of Phase II students in placing them in other Phase courses.

T.I.S.S. Head Boy Dan Clow opened the programme by saying how pleased he was to be invited, and how surprised he was by the vitality and size of the department. He encouraged those who will be at T.I.S.S. in the fall to join him on Students' Council.

Before closing, Mr. MacLennan expressed his thanks to the Phase II student body for the warmth and politeness of their welcome. He then invited everyone to Room 24 where Mrs. Goodell, Mrs. Nussey, and the girls in the Home Economics course had laid on lunch.

Graduation - June /77

On Saturday, June 25th students, teachers, parents, and other guests gathered in the T.I.S.S. auditorium to honour graduates and prize winners of the school year 1976-77.

This year's commencement started with a musical prologue performed by our own band under the direction of Mr. Doug Dillon.

Diplomas were presented to grade 12 and 13 graduates and awards were given to students achieving high academic standards in particular subjects.

The guest speaker for this year's commencement was Mr. Clark Davey, Managing Editor of the Toronto Globe and Mail. Mr. Davey's speech emphasized the need for individuals to own up to their mistakes just as respectable newspapers have to do in certain situations. He illustrated his ideas with anecdotes from his own experiences in the newspaper business.

Cathy Sills was the valedictorian and she delivered a speech which brought back to her listeners some of the experiences she remembered from her five years at T.I.S.S. One of her most memorable moments occurred this year when Mr. MacLennan received his famous pie in the face.

Many special awards were given. Our head boy, Dan Clow received the Matheson Award for leadership and Helen Abramowicz received the Principal's Medal for all round contributions to life at Thousand Islands School.

Tia McEwan - Shorthand Award.

Klyde Brayton - Staff Award.

Dan Clow presenting Cathy Sills with roses.

Lisa MacIntosh.

Gordon Thomas receiving the Kiwanis Club Bursary

Mr. Clark Davey.

Marianne Legros receiving the Selkirk Metalbestos Award.

Mary Kilborn receiving the Science Award.

Marg Kaiser receiving the Royal Canadian Legion Award.

Mrs. Virginia Gilroy.

Mrs. Jeanette McKibbin.

Also graduating ...

Mrs. Virginia Gilroy has been greeting both students and staff at T.I.S.S. for many years. Mrs. Gilroy has been head secretary in our school office and as such has helped to solve many of the everyday problems people in the school have encountered.

Mrs. Jeanette McKibbin has spent many years working with young people. She has taught here at T.I.S.S. since 1963. Always approachable, Mrs. McKibbin has been a source of inspiration and help for many students and staff members over the years.

Both ladies received special presentations and standing ovations at our June Awards Assembly indicating the high regard in which they are held by our school community.

Everyone at T.I.S.S. extends best wishes to both Mrs. Gilroy and Mrs. McKibbin in their future endeavours.

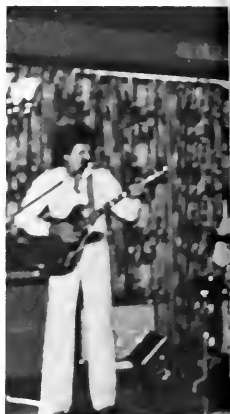

T.I.S.S. Formal

This year the T.I.S.S. Formal was held on the same day as the Graduation. Once again it was held at the Skyline Hotel.

Tickets for this year's formal were sold out far in advance thanks to the successful efforts of the Formal Committee.

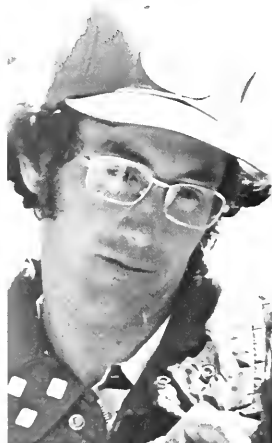

After a delicious meal students and staff enjoyed the evening together with the musical accompaniment of Chateau.

The Formal is the one dance of the year when it is difficult to recognize everyone at first glance -- this year's event on June 25th was no exception. It was a fun-filled evening enjoyed by everyone.

T. I. S. S. – Invitational

The TISS Invitational Track and Field meet was a very successful event for both TISS and the community. Approximately 1,300 students from across Ontario and as far away as Quebec competed in this meet. Thousand Islands made a remarkable showing by placing third out of twenty-six schools. Congratulations athletes for a job well done.

John F. Ross Concert Band

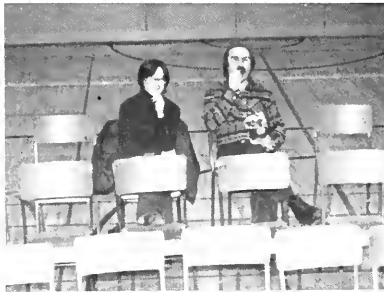

Father and Son

On Thursday, May 5 the John F. Ross High School Concert Band from Guelph, Ontario visited Brockville. Directed by Mr. David Rogers, son of Mr. Frank Rogers of TISS, the Dixieland, Concert, Stage and Rock Bands made a lasting impression upon the students and teachers of our school.

Football Pirates in Action

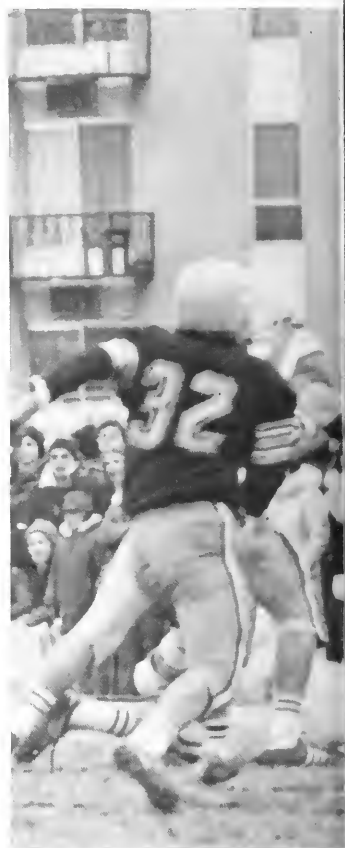

This year's edition of the Football Pirates was a refreshing group of young men to work with. Our squad was a mixture of veterans and rookies and fortunately some of our rookies played exceptionally fine ball. Despite two hard-fought losses in a row to B.C.I., the Pirates fired back to win the tables

on the Rams in the semi-final, 12-7. Hard work and a determined effort led the Purple Gang to their second championship in three seasons, a 26-15 win over Rideau. For the coaches and the players, especially those in their final season with the Purple and White, it was a very gratifying season.

BACK: Joe Mulder (Manager), Tony Blake (Manager), Craig Maude, Dan Geneau, Pete Charbonneau, Jeff Bennett, John Ackerman, Mike Phelps, Dave Millions, Mike Millions, Ron Milligan, Gurmell Gill, Clint Thompson, Dunc MacDonald, Pete Phelps, Jerry Garvey, Jack Romero, Wayne Crites.
SECOND ROW: Chris Sabourin, Greg Graham, Gaston Ethier, Pat McMahon, Dan Clow, Les McMahon, Ken Lapierre, Jeff Peters, Dan Collison,

John McGlashan, Mich Collison, Eric Schjerning, Louis Ethier, Steve Graham, Paul Hewitt, Chris Menzies, Geoff Clarke, Dan Reavie, George Gonidis, Shawn Baldwin.
FIRST ROW: Bill Robertson (Coach), Mark Schjerning, Bev Clark (Coach), Rick Reynolds, Greg Allan (Coach), Dave Wilson (Coach), Joe Latham (Coach).
ABSENT: Randy Morrison, John Boddeveld.

Running out the clock.

FRONT ROW: Nicolette Van Oyen, Karen Garvin, Michelle Ovington, Arlene Richardson, Marianne Carlyle, Tanya Lypchuk, John Lee, Mike Stevenson, Rob Emmons, Robin Hunter, Bill Gonidis, John Nause, Theo Brunsting, Steve Wright, John Bouwers.

SECOND ROW: Julie Bates, Eleanor Jonkman, Suzanne Trussell, Sandy Clark, Marney Davidson, Loriann Eaton, Donna Stead, Elaine Young, Steve Whyard, Mark Fournier, Mark Lemmons, Dan Reavie, Harvey Goosens, Terry Burns, Audrey Galama, Tom Kirkland.

THIRD ROW: Perry Edwards, Willy Primeau, Mark Schjerning, Paul Demers, Gus McDougall, Rob Prophet, John Peters, Shawn Baldwin, Steve Clark, Greg Libitz, Polly Graveline, Mike Ovington, Derek Arthurs.

FOURTH ROW: Dan Geniau, Dave Millions, Brian Boisvert, Mike Millions, Ron Milligan, Dan Clow.

FIFTH ROW: Mr. K. Wheeler, Mr. R. Hungerford, Mr. W. Cornack.

Track

The TISS track team proved itself a formidable force as it took top honours in the first meet of the season held at TISS in late April.

With the bulk of the season still ahead of it (including the first annual TISS Invitational meet in May) it looks like the TISS track team will make good showings in the competitions coming up.

Stretch into it now!

Cross-Country

This year, T.I.S.S. runners enjoyed a most successful season. The team competed in a total of 9 meets in the fall at St. Lawrence College, East York, Massena, Watertown, Prescott, Plantagenet and St. Catherines.

BACK ROW: Gloria Horvath, Robbie Jackson, Mike Stevenson, Rodney Gray, Willie Primeau, John Nause, Theo Brunsting, Robin Hunter, Bill Winslow, Dave Hallett, Mark Warren, Peter Kaiser, Mr. Hungerford.
FRONT ROW: Hormunzd Irani, Tanya Lypchuk, Michelle DeJong, Marianne Carlyle, Ray Barraclough, Yolande Baril, Audrey Galama, Catherine Hall, Bill Gonidis, John Bouwers.

The Lone Runner!

The midget girls placed 10th in their race, in the All-Ontario meet in St. Catharines, a truly fine effort. In addition, John Nause qualified to run in the senior boys' all-Ontario race by placing in the top 10 at E.O.S.S.A. With the majority of this year's runners returning next season, T.I.S.S. has the nucleus to form a very strong team.

Our midget boys team, consisting of Captain Bill Gonidis, Mike Stevenson, Hormuzd Irani, Rodney Gray and John Bowers placed second at both L.G.S.S.A. and E.O.S.S.A. meets and qualified for the all-Ontario.

The midget girls team included Marianne Carlyle (Captain), Michelle Dejong, Wray Barraclough, Catherine Hall and Tanya Lypchuk. These girls won several important meets including L.G.S.S.A. E.O.S.S.A. and won our first Pirates' Invitational.

Sr. Girls' Basketball

Jump ball at centre court.

STANDING: Nancy Marshall, Donna Weatherdon.

SITTING: Marilyn Roe, Corrie Razenburg, Karen Zufelt, Carmen Leclair, Rosanna Green, Cindy White, Tina Hall, Elaine Young, Mr. L. Faris.

A long shot makes it for two points.

Another score for TISS!

Where's the ball?

BACK ROW: Suzanne Graveline, Cathy Van Mourik, Mary Haggerty, Julie Bates, Elinor Jonkman.

MIDDLE ROW: Andrea Gauthier, Norma St. John, Lucille Young, Cathy Weatherdon, Martha Shields, Michelle King, Mrs. Sommerville.

FRONT ROW: Wanda Veeley, Maureen O'Grady, Jerilyn Firth, Carolyn Wilson, Barb Wilson.

Junior Girls' Basketball

The Junior Girls B-Ball team, composed of 15 girls was a very strong team--both skill-wise and "in spirit". The team won the county championship and went on to EOSSA to represent Leeds and Grenville.

To improve the calibre of Basketball in this area the county outlawed "zone defense". When TISS ran up against this type of defense at EOSSA, they were defeated but not without a struggle. We'll get there next year! !

Ball's in play--Let's go! !

Boys' Basketball

Midget Basketball at T.I.S.S. this year provided a more unusual experience for a greater number of boys. Due to the number of boys wishing to play midget basketball and the talent they exhibited the coaches entered two teams in the L.G.S.S.A. league. The league was divided into two sections with a team from T.I.S.S. competing in each division. Team 1 coached by Mr. Billing and Mr. Olson played in the Western Division. Team 2 playing in the Eastern Division was coached by Mr. White and Mr. MacKinnon.

BACK ROW: Daryl Moore, Rob Prophet, Rob Young, Hormuzd Irani, John Cooke, Mr. Olson.

FRONT ROW: Larry Latimer, Ronnie Dohley, Rick Davis, Mr. Billing, Geoff Moore.

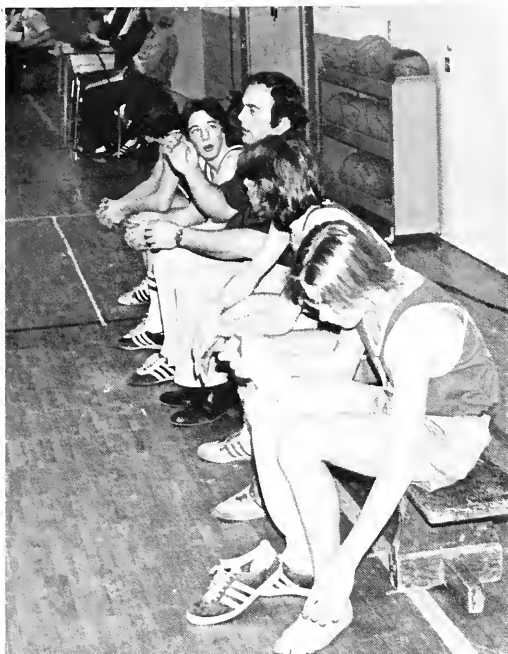

BACK ROW: Mr. White, Gus MacDougall, Jim Nedow, Terry Edwards, Stacey Gliadis.

FRONT ROW: James Cahill, Bill Gonidis, Bill Winslow, Bill Jenkinson, Greg Libitz.

Way to go Hormy!

Tired Feet!

This year's edition of the Junior B-Ball Pirates was mainly a crop of rookies, with a lot of raw potential. Our squad started slowly, working on fundamentals and gradually building an offence and defence that would make us respectable come playoff time. We started to peak in the final week of the regular season, and finished with 8 wins and 4 losses.

We polished off Gananoque in the semi-finals, and the following day claimed the LGSSA title. The following weekend we finished 2nd in the Eastern Ontario Finals. Chris Burns, Terry Sydoryk, Tim Wykes and Richard James anchored our forward unit, while Steve Hoare, Ian Irving, Derek Arthur and Shawn Baldwin spearheaded our backcourt crew. Congratulations boys in a fine Season!

BACK ROW: Shawn Baldwin, Terry Burns, Steven Hoare, Rick Janes, Ian Irving, Rick Sones, Chris Burns, Coach Clark.
FRONT ROW: Terry Sydoryk, Brent Schweig, Brian Boisvert, Tim Wykes, Micky Collison, David Calaway, Doug Jelly.

Play in Action.

Well, Dunc - it's not you this time!

Golf Team

Brial Boisvert, Maureen O'Grady, Margo Coleman, Brenda Hunter, Roberta Craemer, Mr. D. Amos.

The boys' golf team had a hard up and down season. The boys captured the LGSSA Championship by the last putt on the last hole in a downpour of rain. They competed in the EOSSA and had their luck run short of qualifying to go to all Ontario but still finished a good fourth out of 18 teams.

A first for TISS.

The fall of '76 was a great season for the TISS Girls' Golf Team, having won both the LGOSSA championship, played at the Brockville Country Club, and the EOSSA championship, played at the St. Lawrence Golf Club in Kingston.

The team (in alphabetical order) is composed of Margot Cole Coleman, Roberta Creamer, Brenda Hunter, and Maureen O'Grady.

The L.G.O.S.S.A. championship was played in the pouring rain, and Maureen and Brenda had rather a more difficult time because the two girls had to play in a sudden death match for the individual championship. Maureen was the winner of the match, although it was close.

The E.O.S.S.A. championship, on the other hand was played in more pleasant weather which helped us to bring the E.O.S.S.A. championship home to T.I.S.S. All together there were 18 schools involved in the E.O.S.S.A. championship, and we are proud to have won it for T.I.S.S.

Jr. Girls' Volleyball

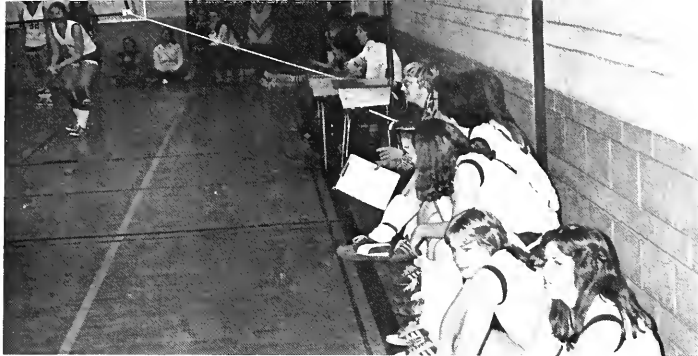

The Jr. Girls Volleyball team had an excellent regular season and went on to EOSSA and placed second. The team also defeated Athens to win the LGSSA title.

BACK ROW: Miss Carleton, Tracy Haak, Brenda Bueley, Cathy Weatherdon, Sherry Wood, Julie Bates, Melodie McKnight, Mary Haggerty, Cathy VanMourick, Carol Colpitts.

FRONT ROW: Michelle Ovington, Michelle King, Maureen O'Grady, Suzanne Trussell, Melodie Baldwin, Diane Wilson, Aldina Coloma.

Sr. Girls' Volleyball

The Senior Girls Volleyball team enjoyed an excellent season. A lot of hard work and fine effort almost produced a league championship.

BACK ROW: Cathy Cowan, Christina Guild, Karen Zufelt, Wendy Stevenson, Karen Spence, Nancy Marshall, Kerrie Marshall, Kerrie Orr, Miss Park.

FRONT ROW: Brenda Toy, Pam Moffatt, Helen Abramowitz, Elaine Young, Joanne Nesbitt.

Jr. Boys' Volleyball

FIRST ROW: Mr. F. Boone, John Peters (Captain), Dave Reynolds, David Galway, Rick Davis, Larry Latimer, Steve Earl, Terry Reid (Co-Captain).

SECOND ROW: Brian Boisvert, Derek Arthur, Kevin Shipman, Terry Sydoryk, Tim Wykes, Terry Burns.

With the right sprinkling of rookies and veterans the junior volleyball team found themselves to be a top contender this year. Their dedication and hard work helped them bring home the L.G.O.S.S.A. championship. This then earned them the right to represent their league at the E.O.S.S.A. championship in Cornwall. There they proved themselves worthy opponents as they finished first after the round-robin play and found themselves in a tough best of three play-off against Cornwall Collegiate. In the play-off they quickly found themselves in a hole, down one game and behind in the second; but by digging in their heels and fighting back like true champions, they won the remaining two games. It was a great team effort.

FRONT ROW: Mr. Darby (Coach), Steve Whyard, Fred Steenwyck, Dale Clark, Danny Laird, Gary Pattenden, Tim Ferguson. MISSING: Art Brown, Steve Cavanagh, Steve Taylor, Rich Cross.

Junior Soccer Pirates Notes

.....Just to set the record straight.....

Team's Captain Steve Clark is not be confused with team's goaltender, Steve Taylor, who is not to be confused with Steve Wright, who played half-back and who is not to be confused with Steve Cavanagh who was supposed to play inside forward, who is not be confused with Steve Whyard who played wing and who is not to be confused with anyone else. Mr. Darby, who is confused, did not laugh at the joker who said something about being "even Steven"!

.....It's not true that MVP Paul Demers has a fine selection of neckties for sale to all those going to Mr. Shorey's Senior Pirates next year.

.....And for all Junior Soccer Pirates, there's a little patch of water waiting especially for you at Prescott.

Senior Soccer Pirate Notes

Fall '76

-This year's team gave our goalie (Peter Rasenberg) a much better work out than last year ie. they let the opposing forwards in.

-Under the leadership of Ed Grass and Rick Catellier the forward line was able to overpower our across town rivals, and to hand out the only defeat to South Grenville.

-TISS's luck at Athens did not change this year, and once again we played in the rain.

-TISS finished in fourth place.

Spring '77

-The team had three exhibition matches in May.

-The only consistent feature this May was Peter Rasenberg hurting himself in each game.

-Captain Tack and his forward line worked much better when they were against the wind, and were playing short handed.

BACK ROW: Mr. V. Shorey (Coach), Gene Churchill (M.V.P.), Peter Rasenberg, John Tackaberry, Paul Dunster. FRONT ROW: Rick Stewart, Jeff Foss, Ed Grass (Captain), Rick Catellier. MISSING: Brian Guilboard, Gord Porter, John Jonkman, Dave Lisqum, Walter Van Asseldonk, Chris Hall, Marc Tremblay.

Reach for the Top

The TISS Reach for the Top team had a short but hectic season this year. The highlight of the year was the taping of the program which was done right here at TISS. Several fine teams from the region competed in this round of competition and the TISS student body was very excited about being a part of the production.

The Reach for the Top Team made up of Connie Adamson, Rod Currie, Eric Schjerning, and Elizabeth Weston represented the school in fine fashion. The team received a bye in the first round of competition and went on to do well in a tough game against North Dundas District High School.

The students on the team deserve a round of thanks for the many hours of practice they put in.

Girls' Gymnastics

After a year's absence, TISS entered a team in the EOSSA Girls' Gymnastic Championship. The team finished fourth out of twenty-one schools. During the year, TISS were hosts and also participated in other meets.

One EOSSA title went to TISS. Kathy Prophet captured the Junior Girls' All-Round Championship. Other ribbons were also taken by other members of the team.

With all of the girls returning, and an influx of new students next year, the team is setting its sights on much higher goals for next year.

Stage and Lighting Crew

The Stage and Lighting Crew is composed of students in years one through five. The crew has worked hard setting up sound and lighting effects for TISS in assemblies and dances. The crew has also worked for the community in such things as Art shows, plays (Civic Centre), Conventions, and Christmas parties. The members of this crew learn to understand more about electricity, lighting and sound systems.

The Interschool Christian Fellowship (ISCF) has enjoyed a year of ministry together and with the members of the B.C.I. group. We wish to extend our thanks to Mr. M. Cameron (staff advisor) and others who have supported us with their prayers.

The year began with an assembly featuring "The Living So Sound" from Tulsa, Oklahoma which was sponsored by ISCF and set the foundation for many exciting activities.

We pray that the Lord will continue to bless our efforts in the future.

Chess Club

If the student body were polled as to which day of the week was their favourite, I would assume Saturday would place first with Sunday a close second. But a small minority of students look forward to Wednesday with excitement, comparable only to the thrill preceding St. Patrick's Day, Hallowe'en and April Fools' Day.

During lunch hour people have observed a small mob huddled together in room 106, muttering such words as "I challenge you", "Eghad! ", "Check", I resign" and "Check-mate! "

No they aren't playing Monopoly, Tiddlywinks or weeding the lawn, they are concentrating on the oldest game in the world-Chess!

Kowlessar's "Chess Champs" have again proven themselves by winning both of their challenge matches this year. The first from BCI and the second from the "Staff-Studded Team."

The mystics rumour that this success is due to the new chess sets that were purchased with a Student Council grant.

At the moment the TISS Chess Club is a concert rated band of future grandmasters, and many more new members are needed. So if ping-pong bores you, checkers put you asleep, or endlessly circling the track knocks you out, join the chess club and become a proud member of K.C.C.

Outers' Club

This year was a busy one for the outers. We had five major camps, swim nights, and many noon hour meetings with films on camping. The year started with a fall co-ed canoe trip to Long Beach. Mother Nature finally co-operated and gave us good weather to break in some rookie staff advisors. A small but hardy co-ed crew faced the rigors of winter on a three day camp at Foley Mountain in February. The spring canoe trip was made up of a junior boys' trip from Morton to Gananoque, a senior co-ed trip to Algonquin Park, and a girls' trip on the Mississippi River. All trips were successful even though the fish didn't bite and the bugs did.

This isn't like Mom's home-cooking!

This year the Drama Club has been busy as usual. Library story hour occupied a fair chunk of fall labours, while things got into high gear around Christmas time. Casting for the Simpson's Drama Festival were on at the same time as plans for a three play festival were solidified. In their spare time, Drama Club members were preparing a Christmas play for the annual Christmas O.P.P. Children's party at the Skyline. In the second semester our production of EVERYMAN went on just weeks before the three play festival was held. The Drama Club then prepared an original playlet for the Theatre Arts and Band Assembly. In all, it was a very productive year.

The ski club went on many trips this year to a great variety of places. They travelled south into the States to Big Tupper and North into Quebec to Mount St. Marie. To many members of the ski club the best part of the trip was the bus ride home. Many others, though, had lots of fun tearing up and down the hills. Next year the ski club hopes to have even more members than this year and hopes to go on more trips than before as well.

Vice-Principals' Messages

Mr. Duncan MacLennan

This has been an interesting and exciting year for me at T.I.S.S. Not only have I enjoyed the challenge of a new role in education, but I have also enjoyed renewing old acquaintances and making new ones among the student body and staff.

I have been impressed throughout the year by the generally enthusiastic involvement of students in school activities and by the fine co-operation we have received from students in alleviating some of the problems associated with having a large number of people in a relatively small space.

I urge students returning to T.I.S.S. to maintain their involvement in the life of the school and remind them that enthusiasm for classroom work can have the same benefits and long-term effects as does enthusiasm in extra-curricular activities. A good balance in involvement in school activities is the best way to ensure a happy and productive school career.

For those leaving T.I.S.S. this year, I thank you for your contribution to the life and times of the school and wish you happiness and success in the future.

W.T. Millar,
Vice-principal.

When you read this book for the first time it will be the Fall of '77. Maybe you have been recently introduced to the new world of university or college, or maybe you have just started another year at T.I.S.S. As I write, it is the end of May and today I was speaking with a year 5 student who exclaimed with joy, "Only sixteen days to go!" No doubt she is looking forward to the exciting new experiences – she is leaving the nest.

But this is a book of memories, of days never to be lived again. Today the faces and the events recorded here are familiar and fresh; some day you'll be struggling to remember names, and the events will be fleeting flashes of bygone victories and adolescent tragedies.

"You are becoming. What will be become?
Life is unfolding. What will it unfold?
Your years at T.I.S.S. have seen you grow
In stature and in soul.
Are you ready, are you willing?
Take the pen or take the hoe."

D. MacLennan,
Vice-principal.

Mr. Bill Millar

Principal's Message

Welcome to the principal's office.

A yearbook is a reflection of the achievement and accomplishments of a school's society. In the pages of this year's *Islander*, students and staff will have an opportunity to reminisce about the happenings of the 1976-1977 school year. For the graduates, the yearbook reflects the culmination of an important phase of their lives. For the students who will return next year, the yearbook represents the varied aspects and opportunities of their life at this school.

This year T.I.S.S. was very fortunate to have successes in a wide variety of activities. Many students became more involved in expanding the school's potentials and developed an appreciation of the excellent programmes available in many phases of school life.

This year T.I.S.S. was very fortunate to have successes in a wide variety of activities. Many students became more involved in expanding the school's potentials and developed an appreciation of the excellent programmes available in many phases of school life.

For the students who participated this year, there have been the many satisfactions of being involved as well as the rewards of taking advantage of the opportunities presented to them. In school life as well as in life outside the school, worthwhile opportunities are presented only to those willing to get involved.

Finally, we all owe special thanks to the staff of the yearbook for the superb job done in making this year's "*Islander*" a success.

Jon Kent,
Principal.

Fortunately we made our deadlines thanks to the consistent efforts of our Islander staff members. One happy fringe benefit of this efficiency is the colour spread you find in this edition of the Islander—the first time we've had full colour in a TISS yearbook!

The dedicated workers pictured on these pages met at least twice a week for most of the school year and at times every day of the week in order to meet those deadlines.

Our sales campaigns in the first semester and for a few days in the second term were very successful—almost six hundred copies of the 1977 Islander were sold. Thanks to good advertising sales returns we were able to sell a book that costs \$12 to TI students and staff for \$7.

Mr. Olson directed the financial side of the organization this year while Mr. Boesveld advised our co-editors, Mary Jean Hudson and Jane Empey and the rest of the staff in the editorial area.

We hope you enjoy this edition of the Islander—we've enjoyed putting it together. Next year we'll meet once again and create another yearbook amid the debris of brown paper bags and milk cartons that accompanied the spirit and good times enjoyed by this year's Islander staff.

Co-Editors' Messages

Mary Jean Hudson

The success of the 1976-77 Islander is due to some very hard work by a very small group of people, including Mary Jean, Joelle, Tia, Cathy and Michelle along with our own slavedrivers Mr. Boesveld and Mr. Olson. These people spent many hours in room 126 trying desperately to create some interesting ideas for layouts and captions. We think we were quite successful in creating an interesting look at the year 1976-77. We hope we have captured some good memories for everyone.

I would like to thank everyone for their great help and humor during the year. Without everyone's co-operation it would not have been the fantastic year it was.

The staff of the Islander 76-77 has enjoyed one of the most successful years ever. Through the dedication of everyone involved we were able to produce a book that is one of the best the school has put together. Due to a lot of hard work (and running around) all of the deadlines have been met and we were able to include in the Islander the beautiful colour spread.

Everyone involved in producing the Islander worked equally hard. Cathy, Joelle, Jane, Michelle, and Tia, who were all rookie members caught on very quickly and added their voices to the uproar being caused by everyone.

I have really enjoyed working on the yearbook this year and next year I am sure the Islander will feel the loss of Mr. Boesveld, who has been a driving force behind us. The Islander staff would like to say a special thanks to Mr. Boesveld, and remind him that "the door to room 126 is always open".....

Jane Empey

Yearbook Club

What happens every day at noon hour in room 126? Eight people sit around a splintery table that has an aggressive character all its own (it attacks stockings, skirts, and trousers) and eat lunch. But that's not all. From the debris of empty milk cartons, eggshells, banana peels, and brown paper bags has emerged this year's edition of the *Islander*.

At the beginning of the year *Islander* staff members complained of noise from the hallway. By May the people in the hall were hurling complaints at *Islander* staff members—some sessions did tend to become somewhat rowdy! However, we like to think of them as examples of the good spirit that kept the group going as we grappled with lack of copy, identification crises (we couldn't name everyone on some of the pictures!) and those ogres of the yearbook scene—deadlines.
